LEADERS IN LIPSTICK - LEADERSHIP DEVELOPMENT PROGRAM

Leaders in Lipstick is an immersive experiential learning program designed by Siji Varghese. The program inspires, prepares, and supports women in accelerating their career paths. The program encourages participants to reflect on themselves and pursue their aspirations with confidence and courage. It offers a platform to develop self-confidence, enhance networking skills, and engage as lifelong partners with the Leaders in Lipstick (LIL) community.

EXECUTIVE COACHING

Our Executive Coaching Program is designed to drive measurable business impact. Our experienced coaches develop personalised coaching plans to address the specific challenges and development goals of your employees, leaders and teams.

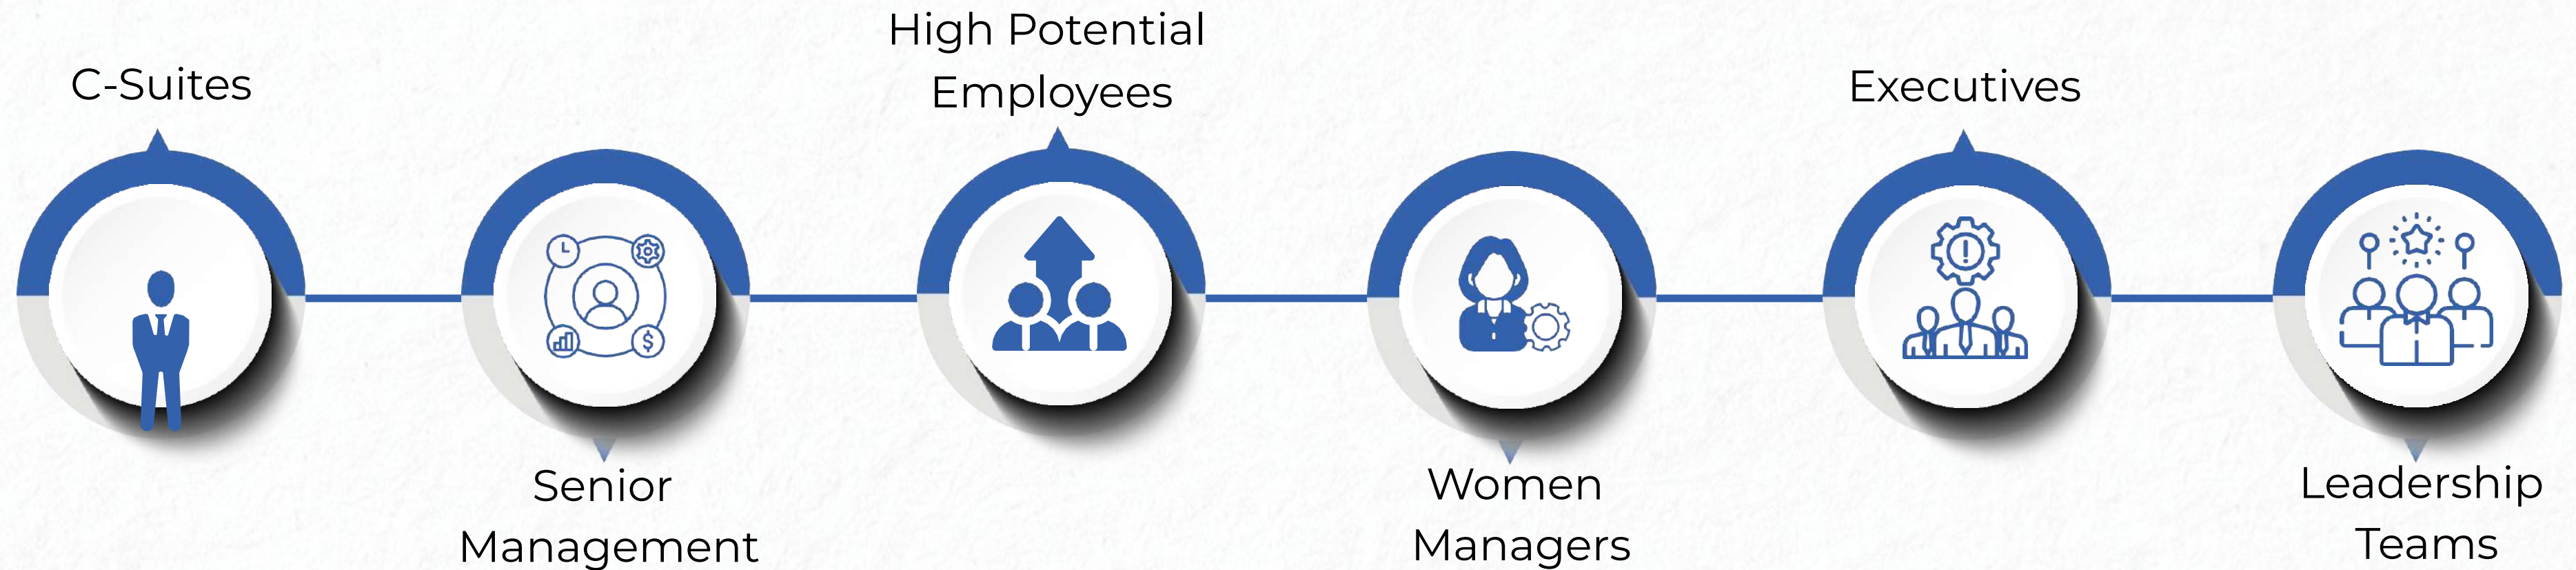

Our coaching approach focuses on amplifying strengths while strategically addressing gaps, empowering leaders to excel and deliver outstanding results for the organisation.

We've successfully addressed challenges like attrition, customer experience enhancement, and business resilience, delivering solutions that make a real difference.

EXECUTIVE COACHING

Who does this cater to?

CERTIFICATIONS

Our senior and seasoned professionals provide coaching with **ICF certifications at ACC, PCC, and MCC levels**

TRAINING PROCESS OUTSOURCING (TPO)

We take full responsibility for your Learning and Development (L&D) needs, managing the entire training process across all levels. Our services encompass technical, process, sales, and leadership training. We handle everything from creating and managing digital content and platforms, including LMS/LXP, to overseeing resources and conducting Training Needs Analysis (TNA). We design and develop targeted training programs and digital initiatives with direct input from senior leadership and CXO-level executives. Additionally, we ensure that all training initiatives are closely measured and monitored, aligning them with key business success metrics.
